PAILS (BUCKETS)

We carry a full line of both polyethylene and steel containers, with colors and specifications to fit your requirements. Custom silkscreening available on request.

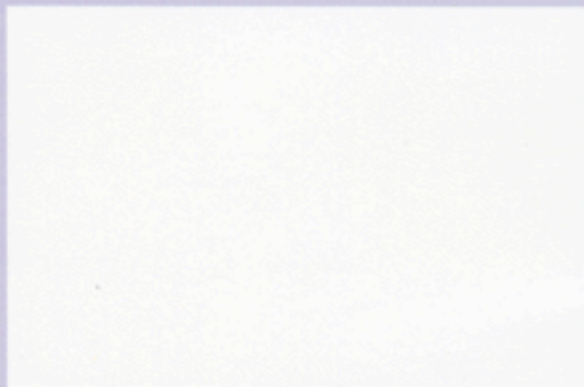

Containers for environmental hazardous waste and material disposal are what St. Louis based *Container Distributors, Inc.* specializes in. We also ship buckets, barrels, 55 gallon steel and plastic drums and 85 gallon overpacks throughout the Midwest including Chicago, Memphis and Kansas City. Shipments are generally made within 24 hours from a wide variety of containers in our well-stocked warehouse. We pride ourselves on our knowledgeable customer service staff, timely deliveries, and wide range of in-stock items which meet all current government regulations

concerning the shipment of regulated materials.

Explore our brochure, make your selection, and then speak with any member of our sales staff. With a total of nearly 60 years of experience in the container field, our sales people will be able to answer any questions that you may have concerning the selection of the proper container for your requirements.

We at *CDI* look forward to hearing from you, either online via e-mail at containerdist@aol.com, or by calling our 24 hour telephone number: **618-451-1050**.

SERVICE INFORMATION

Removal of empty drums is *available*.

Costs will be determined after drums have been inspected by a member of our staff.
